INDUSTRY

ULTIMATE ADVENTURE WITH D-MAX SERIES

STRENGTH MEETS STYLE

Evolution Electric Vehicles is dedicated to innovation in low-speed vehicles, specializing in premium golf carts, as well as personal, commercial, and utility vehicles. With a commitment to excellence, Evolution leads the way in creating vehicles that seamlessly blend functionality with style.

Experience the thrill of a dynamic ride powered by an advanced electric powertrain, delivering exceptional performance across varied terrains. The all-new D-Max Series elevates golf carts to new heights, equipped with a robust on-demand 4WD system and dual independent electric motors for unmatched versatility.

Featuring an exclusive storage system, steering wheel controls, on-board refrigerator, wireless cell phone charger, immersive sound system, touchscreen with CarPlay compatibility, and automotive-class luxury seats, the D-Max is designed to exude strength and confidence. More than just a vehicle, D-Max is your partner in exploration.

WHAT MAKES D-MAX UNIQUE

MULTI-FUNCTIONAL DASHBOARD

Elevate your driving experience with the Evolution D-Max's on-demand 4-wheel drive system. Featuring dual independent electric motors and controllers, this system seamlessly switches between 2-wheel and 4-wheel drive, offering multiple modes to suit your preferences. Enjoy smooth, refined handling and enhanced stability on any course.

POWER STEERING (EPS)

D-Max's Electric Power Steering (EPS) gives you comfort, control and feel-of-the-road, which is a technology that will define the future. It eliminates the need for a power steering pump, hoses, hydraulic fluids, and a drive belt and pulley on the engine. As a result, electric power steering is energy efficient and environmentally compatible - while offering extras like simplified tuning, packaging flexibility and engine-off steering assist.

PRECISION AUDIO MAX ENJOYMENT

The Evolution D-Max is more than just a golf car; it's a finely-tuned masterpiece of engineering. Designed with precision and crafted for those who demand the best, the D-Max exemplifies power, elegance, and driving pleasure. Evolution's expert developers dedicate years to perfecting the unique D-Max driving experience, where every detail matters. And when it comes to sound, the D-Max delivers pure audio enjoyment through expertly designed audio systems tailored for high-quality sound performance.

IMMERSION IN PURE SOUND WITH THE EVOLUTION 24-SPEAKER SOUND SYSTEM

The Evolution 24-Speaker Sound System is engineered to deliver an unparalleled audio experience, with strategically placed speakers designed for optimal clarity and depth. The system features a combination of roof-mounted speakers and seat bucket woofers, each fine-tuned to deliver a perfect balance of bass, midrange, and treble tones.

01

The roof-mounted system includes four robust midrange speakers that deliver clear vocals and instrumentals.

02

Enhance your audio experience with the illuminated speakers, crafted to provide exceptional sound quality and dynamic ambient lighting for a visually

03

Additionally, eight smaller mid-high range speakers, also roof-mounted, provide dynamic support across higher frequencies, ensuring a balanced surround effect that immerses you in rich, multidimensional sound.

FLEXIBLE CONFIGURATIONS FOR REAR COMPARTMENT

INNOVATIVE STORAGE SOLUTIONS

The foldable basket includes a versatile storage caddy to hold all your essentials, while the portable cooler with a convenient handle keeps your drinks perfectly chilled. A sliding tray extends your storage space and works seamlessly with dual golf bag holders, accommodating up to four golf bags so you're always ready to hit the course.

FOLDABLE STORAGE BASKET

The perfect solution for on-the-go adventure, the basket maximizes space when needed and folds away discreetly when not in use. The integrated collapsible utility box ensures your items stay secure and organized, preventing spills and saving space.

SLIDING TRAY WITH PORTABLE COOLER

Maximize space for extra golf bags and customize the storage to match your needs. Experience the ultimate in convenience and flexibility on every journey!

DETACHABLE DUAL BAG HOLDER

Securely fasten two extra golf bags with ease. Ideal for golfers who bring multiple sets or share the course with friends.

Standard golf bag holder

Dual golf bag holder

ELEGANCE IN EVERY DETAIL

1.THREE-POINT RESTRAINT

Standard 3-point safety belts for all seats keep you securely buckled while driving.

2.ADJUSTABLE ARMRESTS

Designed for convenience, the rotating armrests allow easy entry and exit, enhancing driving and riding comfort.

SEAT BACK COVER ASSEMBLY

Integrated with handrail, cupholder, concealed hook, storage pocket, USB charging ports for enhanced functionality and convenience.

Experience unparalleled sporty comfort in luxurious rides with the D-Max seats, meticulously crafted from premium fine leather and detailed with exquisite stitching. Each seat is designed to offer a strong sense of wrapping, complemented by soft yet resilient thigh support, and equipped with a three-point seatbelt, ensuring both elegance and security for every ride.

LED LIGHTING

ILLUMINATE YOUR JOURNEY, RADIANT DESIGN, LASTING IMPACT!

Elevate your visibility with D-Max's advanced LED lighting system! Featuring a luminous logo, powerful LED headlights, and sleek taillights, each element is meticulously designed to enhance your ride. The distinctively high-positioned rear logo ensures you make a bold statement wherever you go. Light up your journey with unmatched style and confidence!
